

ONTARIO EQUESTRIAN FEDERATION

November 24, 2006

To Whom It May Concern:

This is to confirm that Ron Lubinski is a member in good standing of the Ontario Equestrian Federation and Equine Canada.

A significant player in equine sport, Ron was recognized with an Ontario Ministry of Tourism and Recreation "Corporate Sport Citation" for hosting a number of events at his facility, Y Not Farms (www.ynotfarms.ca), including the first CRI / FEI reining competition in Canada. His horses have done well under the guidance of coaches in both English and Western disciplines.

For the coming year, plans are well under way for Ron to host events ranging from a CEI / FEI 100-mile, 50 mile and 25-mile endurance ride, a qualifier for the Region 18 Arabian Horse Association, two NRHA Reining events (Category 1 & 2), a Parelli horsemanship clinic, a trail event with Patti Carter, a Trillium hunter/jumper competition, and more!

His facility is well-suited and well-located to attract horse enthusiasts of all kinds – from competitors to audience.

Sincerely,
