On behalf of the NRHA Board of Directors, its members and staff, we salute you and your horse for being an amazing representation of the industry—and one of the best in the world of reining.

With your outstanding accomplishments in 2019, you have well-earned this title in the NRHA World Champion ranks!

NRHA and Montana Silversmiths[®] have been proudly working together to create your custom, hand-crafted trophy! We hope you will enjoy finding it delivered to your mail box soon. With the cancellation of this year's banquet due to the uncertainty and precautions being taken across the globe, we are making plans to recognize the winners during the 2020 NRHA Futurity in Oklahoma City.

Again, we salute you and treasure your involvement with the reining horse and NRHA. We hope this letter finds you and yours happy, healthy and ready to return to the show pen!

Congratulations!

Christa Morris-Stone
